“ Rhonda, Melvin and family,  
I wanted to send you my deepest symphy. I have such fond memories of Mrs. Murray and Mr. Murray all the way back when I was a little girl living when they lived across the street from my grandmother. Mrs. Murray was always so kind and interested in what I had to say...and always without fail so beautifully dressed. She was someone I always looked forward to seeing when I visited Garden City through the years... I know she will be missed by many. Take care of each other while you adjust to Mrs. Murray's now with our Lord and Savior.  
Love sent your way,
