Family would like to thank friends and family members who have helped with her care and support during her long illness.

A special thank you to a long term caregiver Ruth Bell, who had become her third daughter in the last so many years.

A heartfelt thank you to Dr. Lawrence Adjei, who took care of her for many years and has become a dear friend to the family. As well as, The Entire Team of Effingham Care Center and Effingham Health System for taking extra care of their mom.

“ I had the honor of taking care of Ba in the Patel home. In her eyes I was a daughter but in my eyes she was my grandmother. Played many games of dice and she enjoyed with a laugh of beating me. I will miss her but will carry her in my heart .

“ We were extremely saddened to hear about the loss of Savitaba. Savitaba was a devoted mother and a loving grandmother, but more than anything, we will remember her for that infectious and joyous smile that always greeted us anytime we met her. Savitaba was a jolly woman and a woman of great passion, we will always remember her beautiful voice and her love of music and religious hymns. We pray for the family and we pray that wherever Savitaba is, she is singing an eternal song of joy.
